

THE HAMILTON POLICE SERVICE BOARD

**FOR IMMEDIATE RELEASE
JUNE 1, 2026**

HAMILTON POLICE SERVICE BOARD REQUESTING THE PUBLIC'S INPUT ON REVISIONS TO ITS STRATEGIC PLAN

The Hamilton Police Service Board (Board), in consultation with the Chief of Police, is developing an updated Strategic Plan – an initiative that will shape the future of policing in our community. This plan will define priorities, guide resource allocation, improve services and strengthen relationships between the Board, the Hamilton Police Service, community partners and the public. It will be designed to reflect community values, align with provincial legislation and support responsible, transparent governance.

The Board has selected Consilium Public Sector Services (CP2S) to lead the Board in the planning process and to facilitate a public survey, as well as key stakeholder feedback sessions, to gather input from Hamiltonians. This is truly a community-drive process. CP2S' proven track record working with other Ontario police service boards ensures a professional, inclusive and evidence-based approach.

Community survey input will help inform recommendations for future planning and service improvements. It is meant to gather community feedback on safety, policing priorities, service experience and communication.

In updating the Board's Strategic Plan, our goal is straightforward – to build a clear, measurable, community-driven roadmap for policing in Hamilton. We encourage everyone to participate in the survey. Every voice matters.

The survey may be found on our [website](#) or accessed using the QR code below. The survey may be completed between June 1 – 26, 2026.
